Champion: most playoff wins. An unbeaten team wins; tied on wins: point difference in these games, then seed.

The Bills are 2-0 (+16). They are champions if they beat the Raiders, or if the Eagles beat the Raiders. If the Raiders win both of their games, the Bills and Raiders both finish 2-1 and point difference in the four games decides it. The Bills are +16 and the Raiders -1 so far, and a tie goes to the Bills as 1st seed.
